

Christopher Labarthe

Motion Graphics Designer

Versatile animator with **7+ years** of experience spanning motion graphics, 3D animation, VFX, hand drawn animation, marketing production, e-learning, social media, web, and interactive platforms.

Experiences

@ PAYCOM (HR / FINANCIAL SERVICES)

Motion Designer / June 2022 – April 2026

Produced high-volume commercial content including TV ads, corporate videos, and digital campaigns in a fast-paced production environment.

Creative Leadership: Led animation development and creative execution for Paycom's IWant AI product launch, overseeing design, animation, and website rebrand while maintaining consistency across all deliverables.

Brand Management: Created reusable animation and asset libraries that streamlined creative workflows and increased production efficiency.

3D Innovation & VFX: Produced 10+ motion graphics and animation deliverables weekly for TV advertising, social campaigns, podcasts, website updates, product launches, and branded marketing initiatives.

Full Pipeline Execution: Collaborated closely with design, copywriting, editing, conceiving, and project management teams across the full creative pipeline.

Awards: Received 25+ Gold ADDY Awards including Best of Show (2026), Best of Animation (2026), and Special Judge's Award for Production Design (2025).

Character Animator: Produced over 100 hours of animated e-learning and instructional content for enterprise training programs.

LMS Optimization: Created character animation, motion graphics, and educational visuals optimized for Paycom's LMS platform.

E-Learning Animation: Developed engaging educational content balancing clarity, pacing, and visual storytelling.

@ BUILDING IMAGE GROUP (SIGNAGE PRODUCTION)

Design & Visualization Intern / Summer 2018 & Summer 2019

Collaborated on branding and signage projects from initial concept development through final installation.

Client Pitches: Produced design concepts and 3D visualization, environmental mockups, and client presentation materials for commercial signage campaigns.

@ FREELANCE

Motion Designer / March 2020 – Present

Developed brand identities, visual systems, and motion graphics for content creators and businesses, creating everything from logos and marketing materials to animated ads and digital content.

Education

@ OKLAHOMA CHRISTIAN UNIVERSITY

Graduated with Honors / Aug 2017 – May 2021

Game Development: Worked on teams producing two complete games working at every level of the game development pipeline from concept through deployment.

Asset Pack Development: Developed a fully modeled, rigged and textured asset pack that received the Honors Program "Best Creative Capstone" award.

Best Creative Capstone" (2021) for an asset collection created for students
